ZINC MINE OPERATORS

British troops, supported by their assistant in this department of his warships and the guns of the French, have carried several lines of trenches in the neighborhood of Saghir Dere, on the Gallipoli peninsula, in brilliantly executed infantry attacks. There was hard fighting here on June 28, the Australians, the Royal Scots, the Royal Fusiliers, the Lancashires and Gurkhas being engaged, and after it was over, according to General Ian Hamilton's official report, the trenches were full of Turkish dead and many had been buried under the wreckage caused by the flerce hombardment prior caused by the fierce bombardment prior

to the assault by the infantry.

The Galician forces of Grand Duke
Nicholas are still falling back before Nicholas are still failing back before the Austro-German assaults. In east-ern Galicia, on the Gnila Lipa river, and on the Bug river, below Kamionka Strzumilowa, the Russians are offer-ing stubborn resistance, but the Teu-tons claim success there, as well as between the Bug and Vistula rivers. The Austro-German forces are con-tinuing their progress in southern tinuing their progress in southern Poland in the Tanew plateau. They have occupied a border height near Frampol and Zaklikow and have cap-tured the latter place. Further north-

tured the latter place. Further north-west they have captured Zawichost. Artillery bombardments are report-ed from different points on the west-ern front. The French war office states that in the Argonne region the Germans, after a three-day bombard-ment, attacked the allied positions on the read between Binarville and Le Four-de-Paris, but after a violent en-gagement were requised everywhere gagement were repulsed everywhere except near Bagatelle, where they except near Bagatelle, where they gained a foothold in some parts of the the Italian theatre, the Italians

are showing greater activity along the Isonzo front. Along the entire south-west front artillery actions are in assistance of Great Britain for the production of munitions of war and the enrollment for service of this nature

satisfactory that the voluntary sys-tem has justified itself as applied to

DEADLY WORK OF

GERMAN SUBMARINES. British Steamer Scottish Monarch Torpedoed and Sunk-No Lives Lost.

London, June 30, 8.50 p. m.—The British steamer Scottish Monarch, bound from New York for Manchester with a cargo of sugar, was torpedoed and sunk yesterday by a German sub-marine. The steamer's crew of 36 men took to the lifeboats. The captain and 13 men were picked up near the Hook Point lightship, not far from Dunmore harbor, Ireland, and were landed at

The Scottish Monarch was 400 fee long and was of 5,043 tons gress. She was built in 1906 and was owned by the Monarch Steamship company of Glasgow. The steamer sailed from and contractors to agree made it ap-pear certain that the allied materials New York for England on June 16.

Norwegian Bark Sunk, Queenstown, June 30, via London, 6,25 p. m.—The Norwegian bark Kotka was sunk today off Fastnet by the gunfire of a German submarine. Twelve men of the crew were landed at Queenstown after being six hours in lifebosts. The Kotka sailed from Stockton, Me., May 5 for an English port.

MONTENEGRIN FLAG OVER FORTRESS OF SCUTARI.

is Causing a Feeling of Discontent in

Rome, Italy, June 30, via Paris, 5.45 p. m.—The hoisting of the Montenegrin fiag over the fortress of Scutari, Albania, is causing a greater feeling of discontent in the Italian capital than did the occupation of the Albanian towns of Tirana and Elbassan by Sarbian forces.

The Italian government is understood to have protested to both Serbia and Montenegro against the occupation of the Albanian territory by their respective troops. Italy also has protested to the governments of Great Britain. France and Russia, who, together with Italy, in the London conference of 1912, brought about the creation of Albania into an independent state, and who resched an agreement after the outbreak of the present war to definitely settle the Albanian question at the next peace conferen

29 LIVES LOST WITH DOMINION LINER

Which Was Torpedoed and Sunk Monday Night by a German Submarine

AMERICAN MULETEERS AMONG VICTIMS

Gravity of the Incident Depends on Whether the Armenian Was Chartered by the British Government for Transport of Contraband of War-Ambassador Page, at London, Has Been Instructed to Secure More Details-In the List of Americans Missing, Are Twenty Muleteers, Eight Whites and Twelve Negroes-News Created a Sensation in Official Quarters in Washington.

Washington, June 30.—The Dominion freight liner Armenian, flying the British flag and carrying mules from Newport News, Va., to England, was torpedoed and sunk on Monday night by the German submarine U-38 of the Comment of the Comm Cornwall, England, and nearly a score of American muleteers aboard are reported lost, according to messages re-ceived by the state department today from Consul John S. Armstrong Jr. at Bristol. Twenty-nine men in all were lost and ten injured.

Created Sensation. The news created a sensation in of-

The news created a sensation in or-ficial quarters, as it was the first case of American lives since the sinking of the Lusitania. The gravity of the in-cident, however, and the action of the Washington government depends entirely on whether the Armenian was chartered by the British government and was, in fact, a transport of con-traband war abroad which Americans would sail at their own risk or whether she was an unarmed merchantman In the latter case, even though carry-ing contraband, the ship should have been subjected to visit and search and those aboard transferred to a place of safety before the destruction of the vessel was attempted.

Immediate Inquiry Directed. Immediate Inquiry Directed.

In the absence of official information on these points, officials declined to say what effect the sinking of the Armenian would have on pending negotiations between the United States and Germany. Immediate inquiry was directed, however, to Ambassador Page at London to secure more details and when Secretary Lansing retails and when Secretary Lansing re-turns tomorrow, Ambassador Gerard-will be instructed to inquire of the

man admiralty as to its report. At Least One Shot Fired. From the messages received it apat least one shot was fired from a disappearing rifle. The consul's report said the wireless house was "taken by the second shot." It was not made clear whether the Armenian was first much trouble with the woman, but unordered to halt and resisted capture, til the final act he did not

contraband character of the Armen-lan's cargo. Officials will make an effort to learn, however, whether the vessel was armed and whether she was a part of the British naval forces before the opinion of the state de-partment on the case will be disclosed.

News Telegraphed to President. All of the despatches received were All of the despatches received were promptly telegraphed to President Wilson at Cornish, N. H., and Secretary Lansing at Amherst, Mass., and it was considered probable that they would communicate with each other while in New England. American Muleteers Lost.

The messages from Consul Arm-strong did not show clearly just how many Americans were lost. In his strong did not show clearly just how many Americans were lost. In his list of Americans missing, he named twenty muleteers—eight whites and twelve negroes—who were unaccounted for, but later telegrams spoke of Dr. J. S. Viso, a Porto Rican and three negroes as having been picked up by a submarine and other survivors by a Belgian trawler and transferred to two British destroyers whic brought them into Bristol.

The List of Missing.

The list of missing as finally made

The list of missing as finally made up tonight from Consul Armstrong's reports follows: E. Williamson, St. Louis. B. M. Monroe, New Orleans.

MEXICANS THREATENING IN A MINING CAMP Were Excited Over Report That Mexico Was to Declare War on U. S.

Phoenix, Ariz, June 30.—Armed men rere sent from here today to Ray, a nining camp 120 miles distant, where 1,500 Mexicans are threatening trou-ble. The men were excited first by re-ports from Vera Cruz that Mexico was to declare war on the United States and then struck for higher wages. All the Mexicans quit work at mines of the Ray Consolidated Mining Company upon receipt of a publication from Vera Cruz containing a speech by a Carranza officer, who stated that Mexico would declare war on the United States. fter receiving assurances that war was not imminent the Mexicans decided to strike for increased

ARRESTED FOR THREATENING

Austrian Salesman Apprehended His Home in New York. New York, June 30 .- Rudolph Ma-

New York, June 30.—Rudolph Malick, an Austrian salesman who has been in this country only eleven months, was arrested in his home on the upper East Side tonight by secret service agents, for having, it is charged, sent a threatening letter to the president at the White House several days ago. Malick will be arraigned before a United States commissioner tomorrow on a charge of misuse of

SULTAN OF TURKE

called in to attend the suitan of Tur-key, whose illness has grown worse in the past few days. Official circles in Berlin and Constantinopie are alarm-ed at the sudden change for the worse
